PRESS RELEASE

Hydranautics/Nitto Denko Welcomes New Management
Bhasker Davé joins as Vice President of Sales & Marketing.

Oceanside, CA...Hydranautics/Nitto Denko, the world leader in membrane technology, welcomes a new member to our executive management team.

Dr. Bhasker Davé, joins Hydranautics as Vice President of Sales & Marketing. Dr. Davé brings 17 years of experience in specialty chemicals, water treatment, membrane separations, energy and water resource management to our company. He received his Ph.D. in Chemical Engineering from Texas A&M University, his M.S. in Thermal & Environmental Engineering from Southern Illinois University, and his M.B.A. from the Kellogg School of Management at Northwestern University. His professional experience ranges from Marketing Manager to Technical Director to Sr. Research Engineer

Hydranautics is committed to providing our customers with the best membrane technology and technical, sales and customer service in the industry. Hydranautics is proud to introduce Dr. Davé as our newest member of our executive management team; his addition brings new focus to the way Hydranautics meets our customers' needs while continuing to grow and expand in the international market place.

Based in Oceanside, California with sales offices throughout the globe, Hydranautics was founded in 1963 and in 1987 became part of the multi-billion dollar Nitto Denko Corporation based in Osaka, Japan. Hydranautics manufactures reverse osmosis, nanofiltration, ultrafiltration and microfiltration membrane products for water treatment applications around the world.

For more information on how Hydranautics can solve your most demanding water problems call today for more information at 1-800-CPA-PURE/760-901-2500 or visit Hydranautics online at www.membranes.com.
